

WELCOME

## Who do I contact if I have questions?

That's the most common question among new members!

For general questions about membership and benefits, contact Tammy Jackson.

For marketing and website inquiries, contact Mary Wilkinson.

To offer suggestions or ask specific questions, look in the Leadership Directory for the proper individual. All SPTS leaders are available to you by email.

## Request a Membership Certificate

If you would like to request a free membership certificate, simply complete the form below and fax, mail or scan and email to the Section office.

A walnut-mounted certificate with a plexiglass cover is available for purchase for \$45.

Please print clearly or type; your names will appear on the certificate exactly as listed above. Remember to include any titles you wish to appear.
